

## IMPORTANT SAFETY INSTRUCTIONS

### INSTRUCTIONS PERTAINING TO THE RISK OF INJURY TO PERSONS:

#### WARNING: TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK OR INJURY TO PERSONS:

1. Turn off/unplug and allow to cool before cleaning or other maintenance.
2. Do not look directly at lighted bulb.
3. Keep lamp away from materials that may burn.
4. Do not remain in light if skin feels warm.
5. According to warranty rules and regulations: If the external flexible cable or cord of this luminaire is damaged, do not try to fix it. It shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

#### ASSEMBLY INSTRUCTIONS:

1. Lay out all parts on a smooth surface as shown in illustration.
2. Screw the post (C) into the base (B) and tighten.
3. Screw the post (D) into the post (C) and tighten.
4. Insert the excess wire between the shade (F) and gooseneck (E) into the shade (F) as the drawing (E-F).
5. Screw the gooseneck (E) into the shade (F) and tighten.
6. Use the right angle hexagon screwdriver (G) (included) to tighten the shade (F).
7. Screw the gooseneck (E) into the post (D) and tighten. For best results, before screwing into post (D), straighten gooseneck up so bottom of shade is pointing to the ceiling.
8. Insert the male plug of adapter (A) into the female jack located on the end of the cord coming from the base (B).
6. Adjust lamp to your desired position. If the shade is loose, use the right angle hexagon screwdriver (G) included to tighten.
7. Plug lamp into outlet and use the 3-way rotary switch (H) to choose your light setting.

#### MAINTENANCE:

1. To clean, use a soft cloth.
2. Do not use any chemical or abrasive cleaners.

**SAVE THESE INSTRUCTIONS**

**daylight24**<sup>®</sup>  
natural daylight anytime

#### NOTE:

This lamp uses specially formulated LEDs that simulate the characteristics of the sun. The light will appear brighter and whiter compared to a normal incandescent bulb and will provide many of the benefits of natural sunlight. In addition, these LEDs are energy efficient and eco-friendly. They are not replaceable.
